IP 2LIS_12_VCSCL_DELTA

The screenshot shows a window titled "Monitor messages" with a table of error messages. The table has five columns: Type, Message Text, ID, No., and LTx. The first row is highlighted in yellow and shows an error with ID R3 and No. 3. The second and third rows show "Time limit exceeded" errors with ID R3 and No. 299. The fourth row shows "Errors in source system" with ID RSM and No. 340.

Type	Message Text	ID	No.	LTxt
	Error 7 when sending an IDocs.	R3	3	
	Time limit exceeded.	R3	299	
	Time limit exceeded.	R3	299	
	Errors in source system	RSM	340	

1. Turned in red the delta.
2. Deleted bad request from data targets
3. Reran the request
