

Error: 0EMPLOYEE Error when writing in PSA

Infosource: 0EMPLOYEE

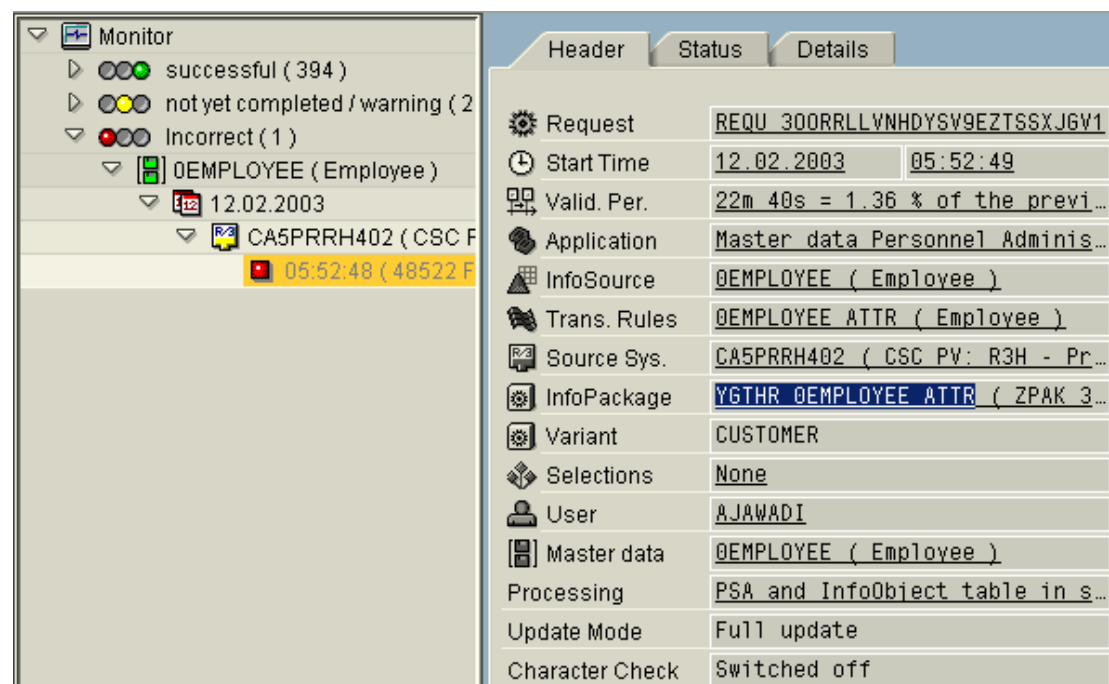

Infopackage: YGTHR_0EMPLOYEE_ATTR

Error: Error when writing in PSA

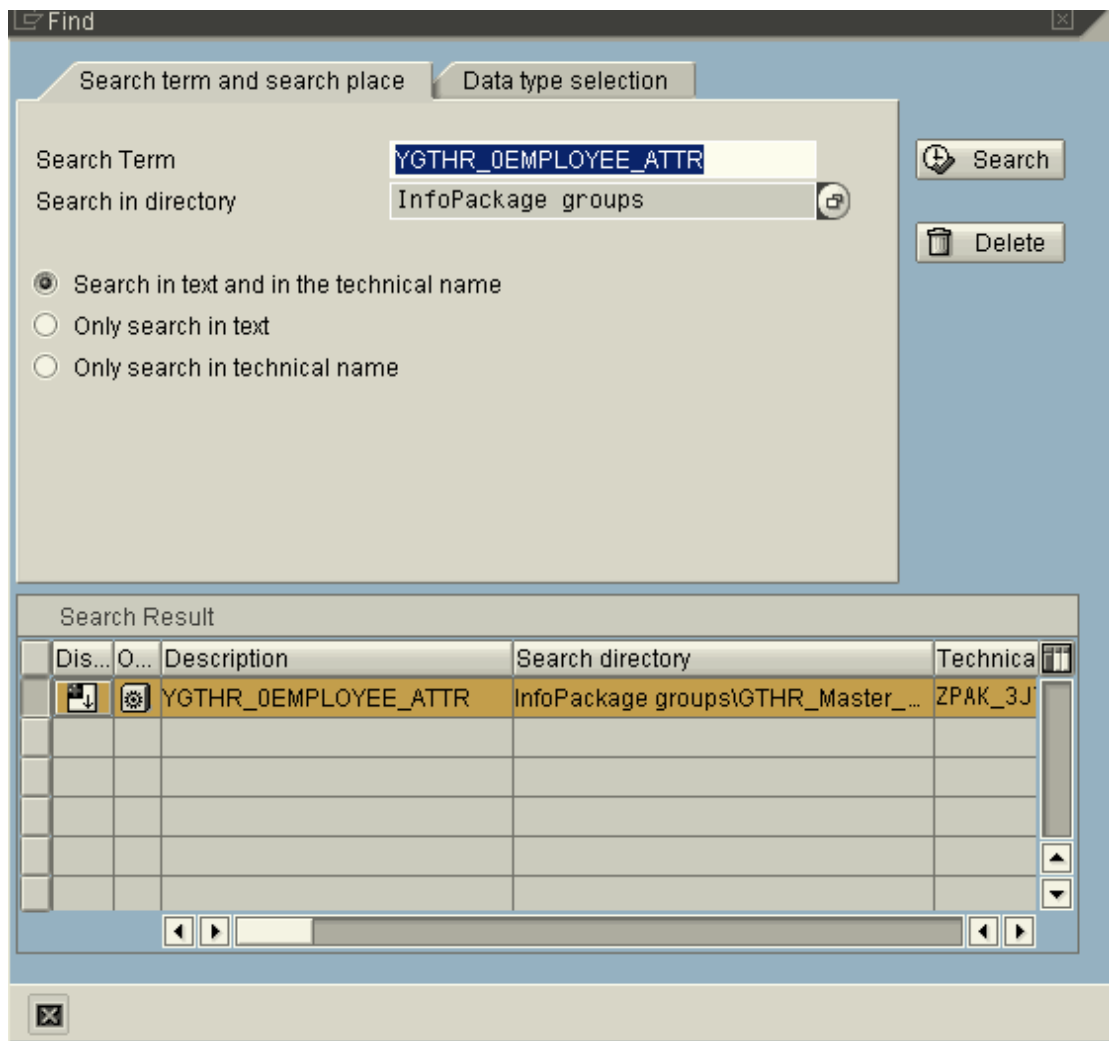

1. Employee infopackage is part of the infopackage group 'GTHR_Master_Data_Daily' which is critical master data. Without this being successfully complete, transaction data will not run.

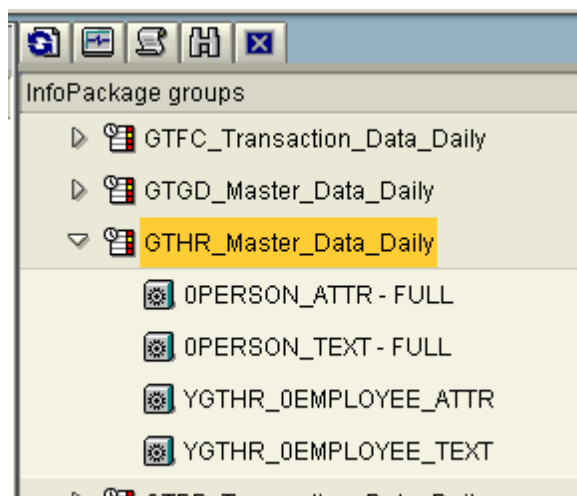

2. Copy infopackage 'YGTHR_0EMPLOYEE_ATTR' from the Header tab and green arrow back to BW Administrator Workbench: Modelling

3. Search the infopackage in the infopackage group. Once found click arrow down to locate the infopackage group.

4. Double click on the infopackage group 'GTHR_Master_Data_Daily'.

5. In the Schedule, click Jobs.
